SPARTAN SR4-BK Eclipse (Black Flash) camo + built-in viewer

Capture stunningly detailed pictures with the all-new SR4-BK Eclipse. With industry-leading IR LED Blackout (no glow) flash technology, you'll get vibrant photos / video clips during the day and clear, black and white photos / video clips at night. Never miss a thing with a 80-degree wide-angle lens and a 0.3 second trigger speed. On top of that, the front-facing 2" LCD screen of the Eclipse makes setup easier than ever by letting you check the camera's view and make adjustments accordingly.

<u>FEATURES:</u>
- Non cellular
