

2 x Strobe Flash's in one! Cuddeback's Double Barrel Strobe Flash revolutionizes trail cameras. No other camera on the market can do what the Double Barrel Strobe Flash does.

Featuring an industry leading 1/4 second trigger speed that captures the deer that so many other cameras would miss. Add Super-Fast Recovery Speed that is ready for the next picture within 1 second of taking the first, and the result is Cuddeback can capture 2 photos before many cameras can capture the first.

And the pictures are incredible. 20MP images with stunning day and night color images.

On top of the performance, we added a ton of cool and innovative features, such as Zone Control, separate day/night delays, fully customizable time lapse and many more.

Cuddeback Double Barrel Strobe Flash – the ultimate in versatility and performance.
