

### Browning Trail Cameras: Strike Force PRO DCL

The most feature rich camera in the Strike Force line up is the Strike Force Pro DCL. This model features "Dual Camera Lens Technology" and Browning has developed a custom tuned daytime camera lens to produce razor sharp daytime images, while the dedicated night camera lens takes incredibly clear night-time images. The new RADIANT 6 Infrared Illumination System has been integrated to enhance the clarity and range of the night images. The Strike Force Pro DCL also features a lightning fast 0.15 second trigger speed and a 40m+ Infrared (low glow) Flash Range. Other features include an all-steel adjustable tree mount bracket, Time-lapse capability and captures 1080p Full HD video with sound. The Strike Force Pro DCL is also compatible with up to 512 GB SDXC memory cards.

Model Number: **BTC-5DCL**
