

### Browning Trail Cameras: Strike Force Full HD

The Strike Force FHD cameras feature a multitude of upgrades. The new "Radiant" LED Illumination System enhances night time picture and video illumination like never before. The new Radiant 4 illumination technology greatly enhances the night IR flash modes by delivering greater efficiency in Economy mode, longer flash ranges in High Power Mode and faster shutter speeds in Fast Motion modes, resulting in clearer images when game animals are in motion. The new adjustable trigger speed feature allows you to select the trigger speed that is right for your camera's location, from 0.135 to 0.7 seconds. Experience high end performance with 22MP picture quality, and a video processor that produces incredible quality 1080p Full HD video clips with sound. The Strike Force FHD camera also features SD Card Management options, and Smart IR video, which continues to record video during the day when game is present.

Model Number: BTC-5FHD

#### Camera Features:

- 22 MP
- 33m+ Flash Range - Adjustable (Long Range, Fast Motion, Economy modes)
- Illuma-Smart Technology Automatically adjusts IR Flash for Perfect Night Photos
